Sir:

On October 19, 2004, Applicant filed a Response Under 37 C.F.R. §1.111 in the above-captioned application. On December 17, 2004, a Notice of Non-Compliant Amendment (37 C.F.R. §1.121) was mailed, setting forth a one-month period of time to re-submit the corrected section which complies with 37 C.F.R. §1.121. Applicant herewith re-submits the entire "Amendments to the Claims" section of the response that was filed on October 19, 2004, including the required correction thereto.

The Notice of Non-Compliant Amendment indicates that each claim should be provided with a proper status identifier. Upon review of the filed response, Applicant noted that the response filed on October 19, 2004 inadvertently failed to identify that

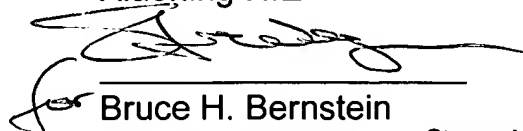

claim 29 is a new claim. However, Applicant notes that page 6 of the filed response indicates that claim 29 was newly submitted.

Accordingly, Applicant herewith submits the entire "Amendments to the Claims" section of the response filed on October 19, 2004, corrected to properly indicate that claim 29 is new. Applicant notes that the re-submitted Section provides a complete listing of all the claims, with each claim includes a proper status identifier.

Applicant notes that the Notice states that only the corrected section of the non-compliant amendment document must be re-submitted in its entirety. Accordingly, the remainder of the response filed on October 19, 2004 is not enclosed herewith. However, should the Examiner wish that a full copy of the previously filed amendment (with the correction made herein) be supplied, the Examiner is requested to contact the undersigned.

If there should be any questions concerning this application, the Examiner is requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,  
Xiaoning NIE
